

Wheatland Crisis Society

November 5, 2018

For over 25 years the Wheatland Crisis Society has relied on the support of our community to help those impacted by abuse. Without this support many individuals and families would not have had a safe place to go in their time of need.

As valuable allies in the work we do, we wish to recognize and thank the many community members, organizations and local businesses that have helped us change lives for the past 25 years. Your support has been unwavering and is essential in allowing this organization to evolve and grow.

In the spirit of community connectedness and partnership we are excited to announce we are working on some new fundraising initiatives and programs. We would like to encourage you to follow our social media channels to learn about exciting new opportunities and campaigns that are coming soon.

Please stay tuned for announcements about events, initiatives and campaigns on our Facebook page @wheatlandcrisisociety or strathmoreshelter.com.

On behalf of the Wheatland Crisis Society board, management, staff, volunteers and especially the families in our care we wish to thank you for your past, present and future support.
