---

---

### Nomination Requirements

In order to participate in Board meetings, the following documents must be submitted to the Chair; a Criminal Record Check **and** an Intervention Record Check. If you are nominated to be a Director of the Board for WCS and you do not have these documents, you will need to immediately begin the process of records clearance as they take several weeks to complete.

Please request a letter from the Wheatland Crisis Society to be included in your applications for:

- A recent Criminal Record Check (no older than 3 months) from the RCMP or other law enforcement agency
- A recent Intervention Record Check (no older than 3 months) from Wheatland Family and Community Support Service.

These document checks will be completed at no-charge provided they are accompanied by the letter from WCS.

An annual membership to the Society must be purchased prior to joining the Board. Please provide payment information to the CEO of WCS. Members must be in good standing 4 weeks prior to the AGM in June in order to participate on the Board of Directors.
