

Lil Hoots & Wheatland Crisis Society Consignment Partnership

Lil Hoots a mid-to-high end Children's Consignment Boutique and Maternity Consignment Boutique in Strathmore, AB. Their focus is on clothing, shoes, large items (miscellaneous) and books.

If you would like to make a difference in the lives of parents and children staying in the shelter, please consider consigning your maternity or children's clothing with Lil Hoots. Please mention you are dropping off clothes for the Wheatland Shelter account (#503). Proceeds from sales for items purchased from the shelter's inventory go into our account. When shelter or outreach clients require clothing, they can shop at Lil Hoots and pay for their items using funds in the account. We see this as a win-win partnership as it provides our families with the opportunity to pick out items they love with a sense of dignity and it supports a small local business.
