

Serendipity's & Wheatland Crisis Society Consignment Partnership

Serendipity's is committed to providing high quality, trendy, mid to high-end men's and women's fashion that has been purchased new within the last few years. We also accept vintage and unique or eclectic items.

If you would like to make a difference in the lives of adults staying in the shelter, please consider consigning your women's and men's clothing with Serendipity's. Please mention you are dropping off clothes for the Wheatland Crisis Society account. Proceeds from sales for items purchased from the shelter's inventory go into our account. When shelter or outreach clients require clothing, they can shop at Serendipity's and pay for their items using funds in the account. We see this as a win-win partnership as it provides our clients with the opportunity to pick out items they love with a sense of dignity and it supports a small local business.

Serendipity's Consignment Guidelines

They accept gently loved items that are in excellent condition. They must be clean, wrinkle free and have no damage or pet hair. They greatly appreciate you bringing your items to the store in tubs, totes or baskets and they will transfer them right away to their own storage bins. They are unable to accept consignment brought to the store in garbage bags. If you are unsure if your items meet our quality guarantee or guidelines, please contact the store to make an appointment to drop off your items and they will happily go through the process with you.
