

Outreach Worker Wheatland Crisis Society - Strathmore, Alberta

Established in 1993 and located 35 minutes east of Calgary in Strathmore, Alberta, the Wheatland Crisis Society is a registered non-profit organization that provides ongoing support and services to women, men and children who are affected by family violence. We are committed to a vision of a future where our community is free of violence and our citizens are empowered to resolve conflict in peaceful and productive ways.

Our success is achieved by offering a slate of programming that is diverse and reflective of the needs of the families and community we serve. This includes a residential program that temporarily houses up to 25 individuals and/or families as well as outreach, early intervention and public education programming that serves the community at large. We also provide 'wrap around' services such as family violence prevention services in partnership with the RCMP and group sessions for men who abuse.

We are considered a valuable service provider in the community and are a member of the Alberta Council of Women's Shelters (ACWS).
